FIREWARDS' REPORT

We have had very few fires during 1932.

However some of the fires would have been more serious, if the firemen had not responded so promptly and worked so efficiently.

We feel that the fire companies deserve much credit for their work.

The equipment of the two companies consist of one motor driven pump, and one chemical engine, a quantity of pails, shovels and about fifteen hundred feet of hose.

We would recommend that the Depot Company should be provided with a motor driven pump and some kind of a booster tank attached. For when the Village and the Depot Company are at the same fire, and the chemicals come in contact with the hose of the Village Company, it is almost always a sure case of a defective hose, and hose costs money.

Mr. Joseph B. Blodgett has taken care of the oil burner the past year—free, and we wish to extend our thanks to him for his work.

We have installed at the Depot Company's engine room, an oil burner to heat the room, and this oil burner has given us very satisfactory service this winter.

Respectfully submitted,
CLARENCE M. DAMON, Chief,
W. HASKELL DAVIS, Clerk,
FRANK T. ANGIER,
Firewards.

ELLIOT INSTITUTE

Your Trustees have during the past year arranged for four entertainments.

All were of a high order and seemed to be appreciated.

We were again privileged to hear the Boston Orchestral players and the fact that over 25 people from Keene came to hear them attests to their reputation, at least outside our town.

It is now twelve years since Mr. Elliot gave this fund to the town.

During this time 38 entertainments and lectures have been provided.

Respectfully submitted,

FRANCIS R. PARKER,
W. R. PORTER.

THE REPORT OF THE FITZWILLIAM DISTRICT NURSING ASSOCIATION

From June 1, 1931, to January 31, 1933

Visits to homes, 2,022. Of this number, Social service 570, Ante-partum 31, Delivery 29, Post-partum 69, Newborn 82, Non-communicable 317, Infant 214, Pre-school 408, Adult 302. School visits 147.

There were 147 children on the school census at the time of the annual physical examination given by Dr. Emerson and the district nurse. At the time of this examination the following defects were found. Diseased tonsils 33, enlarged adenoids 28, defective vision 8, poor posture 5, enlarged glands 3, tongue tied 1, valvular heart 3, children absent 5.

During the summer three tonsil clinics were held at the Elliot Community Hospital, Keene, N. H. Children receiving treatment 17.

The result of the annual medical examination by Dr. Emerson in the autumn of 1932 is as follows: School census at this time 140. Diseased tonsils 27, enlarge adenoids 30, dental defects 19, defective vision 8, poor posture 3, Anaemia 2, Bronchial Asthma 1, valvular heart 4, children absent 3.

In April, 1932, a Dental Clinic was held in the lower Town Hall. Dr. Irving Crandall of Claremont, N. H., was the attending dentist. Sixty-seven (67) children attended the dental clinic, which was of importance in that many children had a chance to avail themselves of the services of a dentist at minimum cost, that had never been to a dentist. In conducting this clinic, it was in no way our object to interfere with any who go regularly to a private dentist. Complete work 47,

Prophylaxis 67, Cement and Amalgam fillings 117, Extractions 13.

A Toxoid clinic for the immunization of children against diptheria, was held in May, 1932. There were 27 school children attending this clinic, and 33 pre-school children, all of whom received treatment. Dr. Emerson donated his services, as well as all materials used.

Through the generosity of Mr. Samuel S. Simonds, a former resident of Fitzwilliam, now of New York City, fruit and nuts from his groves in Florida were distributed among the children and the shut-ins, during the winter. Mr. Simonds also remembered individuals at Thanksgiving, and at Christmas time.

Through the use of a fund left by the late Mary L. Beebe, seventeen families, in, and around the Depot Village were provided with Thanksgiving dinners. At Christmas time many children were provided with shoes and overshoes from this same fund.

Mrs. Fred R. Boyce, chairman, through the American Red Cross, received material by the yard, furnished by the U. S. government; which was distributed to individual chapters. In Fitzwilliam, members of the Library Sewing Circle, and other individuals met, cut and made about 50 garments. Five hundred and seventeen (517) garments have been distributed under the Red Cross, with many more which were contributed.

I wish to thank all who have helped to make this work possible. There is still much more to be done, and I feel assured those who have shown their co-operation in the past months, will help make 1933 an even more successful year.

Respectfully submitted,

MARGUERITE E. DAVIS, R. N.,
District Nurse.

MRS. FRED R. BOYCE,
Chairman.

REPORT OF SUPERINTENDENT OF SCHOOLS

To the Fitzwilliam School Board:

I submit herewith my fifteenth annual report as Superintendent of Schools, this being the thirty-third in the series under union supervision.

At the close of the school year 1931-32 it was considered advisable to close two of the Fitzwilliam schools. The school in District No. 10, showed an enrollment of only eleven pupils last year. Miss Blodgett had declined to serve any longer as teacher, and as so few pupils would be left for the present school year it seemed best to close the school and to transport the few remaining pupils.

The Columbian intermediate school presented a similar situation. The enrollment at the opening of the school year 1931-32 was fourteen, but during the year the membership dropped to nine. In this school Mrs. Holman was leaving, and it seemed to be the best policy to close the upper room in this building and to place the entire six grades in charge of Miss Magnani, who had taught the three primary grades during the school year 1931-32.

So far as State aid was concerned the closing of these schools meant the reduction of two teachers' salaries, as well as dropping the allowance for the janitor service, fuel and minor repairs of these two schools. It is doubtful, however, if the State Board of Education would have continued to approve these schools for aid after the enrollment had fallen to the small number that would have been left for the present school year.

Aside from the closing of the two schools mentioned, the only teaching change occurred at State Line where Miss Gretchen H. Yoffa was released to accept a school in Massachusetts and Miss Mildred M. Starkey, a graduate of Keene Normal School was elected to succeed her.

The Junior High school had an enrollment of 45 at the opening of the school year, one less than the registration for last year. The total school enrollment for the town is 138, eleven less than for the first twelve weeks last year, and seventeen less than the total enrollment for the last school year.

In view of the closing of one school at Fitzwilliam Depot, it was arranged to have Mrs. Whitcomb extend her work as supervisor of music to State Line, so that now all the Fitzwilliam pupils have instruction in music with a trained supervisor in charge.

Realizing the financial situation confronting all our towns at the present time, the school board has reduced the school budget as far as it is possible to do, without reducing the efficiency of the schools and without losing more State aid. Since the amount of the $5 tax for 1933 in Fitzwilliam is $4,990.71 the amount of state aid will be limited to the amount approved for elementary schools over and above this amount. Last year we had an approved budget for elementary schools of $9,461.44 and were required to raise $5,257.64 to meet the $5 tax, allowing a state aid allotment of $4,163.80, which with an adjustment credit of $154.93 made the amount paid in Dec. 1932, $4,008.87. For the present year the approved budget, with the closing of the two schools mentioned, reduced the approved budget to $7,109 with $4,990 required to meet the $5 tax. This brought the state aid allowance down to $2,118.89 with an adjustment credit of $412.82, which leaves the amount payable in December only $1,706.07.

For the second year the Fitzwilliam schools are running on a schedule of 180 full school days. This adds one week of school work, making the school year thirty-seven instead of thirty-six weeks. This work is being done cheerfully by our teachers although it adds an extra week's expense.

I desire at this time to commend the loyal and efficient work which is being done in the Fitzwilliam schools, and also to express my appreciation of the co-operation I have received from the school board during the past year.

Very truly yours,
LEWIS S. RECORD,
Superintendent of Schools.

East Jaffrey, N. H., Feb. 2, 1933.
